what's catalog tree

who they are

Catalogtree is a multidisciplinary design studio based in Arnhem (NL) and Berlin (DE). It was founded in 2001 by Daniel Gross and Joris Maltha who met at Werkplaats Typografie. Nina Bender joined the studio in 2011. The studio works continuously on commissioned and self initiated projects. Highly interested in self-organising systems they believe in 'Form Equals Behaviour'. Experimental tool-making, programming, typography and the visualization of quantitative data are part of their daily routine.

October 2019 – Book design for 'A Designer's Material-Aesthetics Reflections on Fashion and Technology'

May 2011 – Various lampshades made from corrugated cardboard.

Mar 2005 - VINEC 001-009

April 2009 – Illustration for Print Magazine, Blue Ash (US)
